EXPLANATORY NOTES

SECTION 1. A new subsection is added to enable a reduction to be made in the assessment of a lot of the particular nature mentioned, which at the present time may be unfairly burdened by local improvement rates. The amount of any reduction is not chargeable on the lots specially assessed, but is paid by the municipality.

SECTION 2. The subsection provides for the disposal of surplus funds resulting from the more favourable sale of local improvement debentures than was anticipated or from the actual cost of the work being less than the estimated cost.

The new subsection is more explicit than the present subsection as to how and to whom the disposal is to be made.

SECTION 3. As re-enacted, the section contains a permissive power to enable a municipality to renew or replace a local improvement work at the expense of the corporation at large and to issue debentures therefor.

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

2. Subsection 9 of section 49 of *The Local Improvement Act*, Rev. Stat., c. 269, s. 49, as enacted by section 2 of *The Local Improvement Amendment Act, 1941*, is repealed and the following substituted therefor: subs. 9 (1941, c. 27, s. 2) re-enacted.

ss. 63, 64,
re-enacted.

4. Section 63 and 64 of *The Local Improvement Act*, as amended by section 19 of *The Statute Law Amendment Act, 1942*, are repealed and the following substituted therefor:

Additional
works in
townships
and villages.

63. In addition to the works authorized to be undertaken in section 2, the council of a township or village may undertake as a local improvement the construction, renewal or replacement of water works, the laying of mains and other appliances to connect with any existing system of water works whether owned by the corporation or any other person, the construction of sewage treatment works, or the construction of such works, plant, appliances and equipment as may be necessary for street lighting.

Assessment
of cost of
works in
areas.

64.—(1) The council of a township or village may, in the by-law for undertaking any work as a local improvement, define an area in the township or village and provide that the cost of the work and the cost of maintenance and management of the work shall be assessed and levied on the rateable property in the area.

Assessment
of cost of
certain
works.

(2) Where the work is the construction of a water main, sewer, sidewalk, curb, pavement or street lighting, the by-law may provide that the whole or a part of the cost of the work shall be assessed upon the lots fronting or abutting on the work and in such case the balance of the cost, if any, and the cost of maintenance and management shall be assessed and levied on the rateable property in the area.

Debentures.

(3) The corporation may by by-law provide for the issue of debentures for any work undertaken under this section.

Notice of
intention
unnecessary.

(4) Where a local improvement area is defined under this section and the by-law provides that the cost of the work shall be assessed and levied on the rateable property in the area, it shall not be necessary to serve notice of intention to construct the work upon the owners of lots in the area.

Alteration,
etc., of
areas.

64a. Where a local improvement area is defined under this section, such area may by by-law, subject to the approval of the Ontario Municipal Board, be altered, dissolved or amalgamated with any other such area and in such case the Board shall make any necessary adjustments of the assets and liabilities of the areas affected.

Short title.

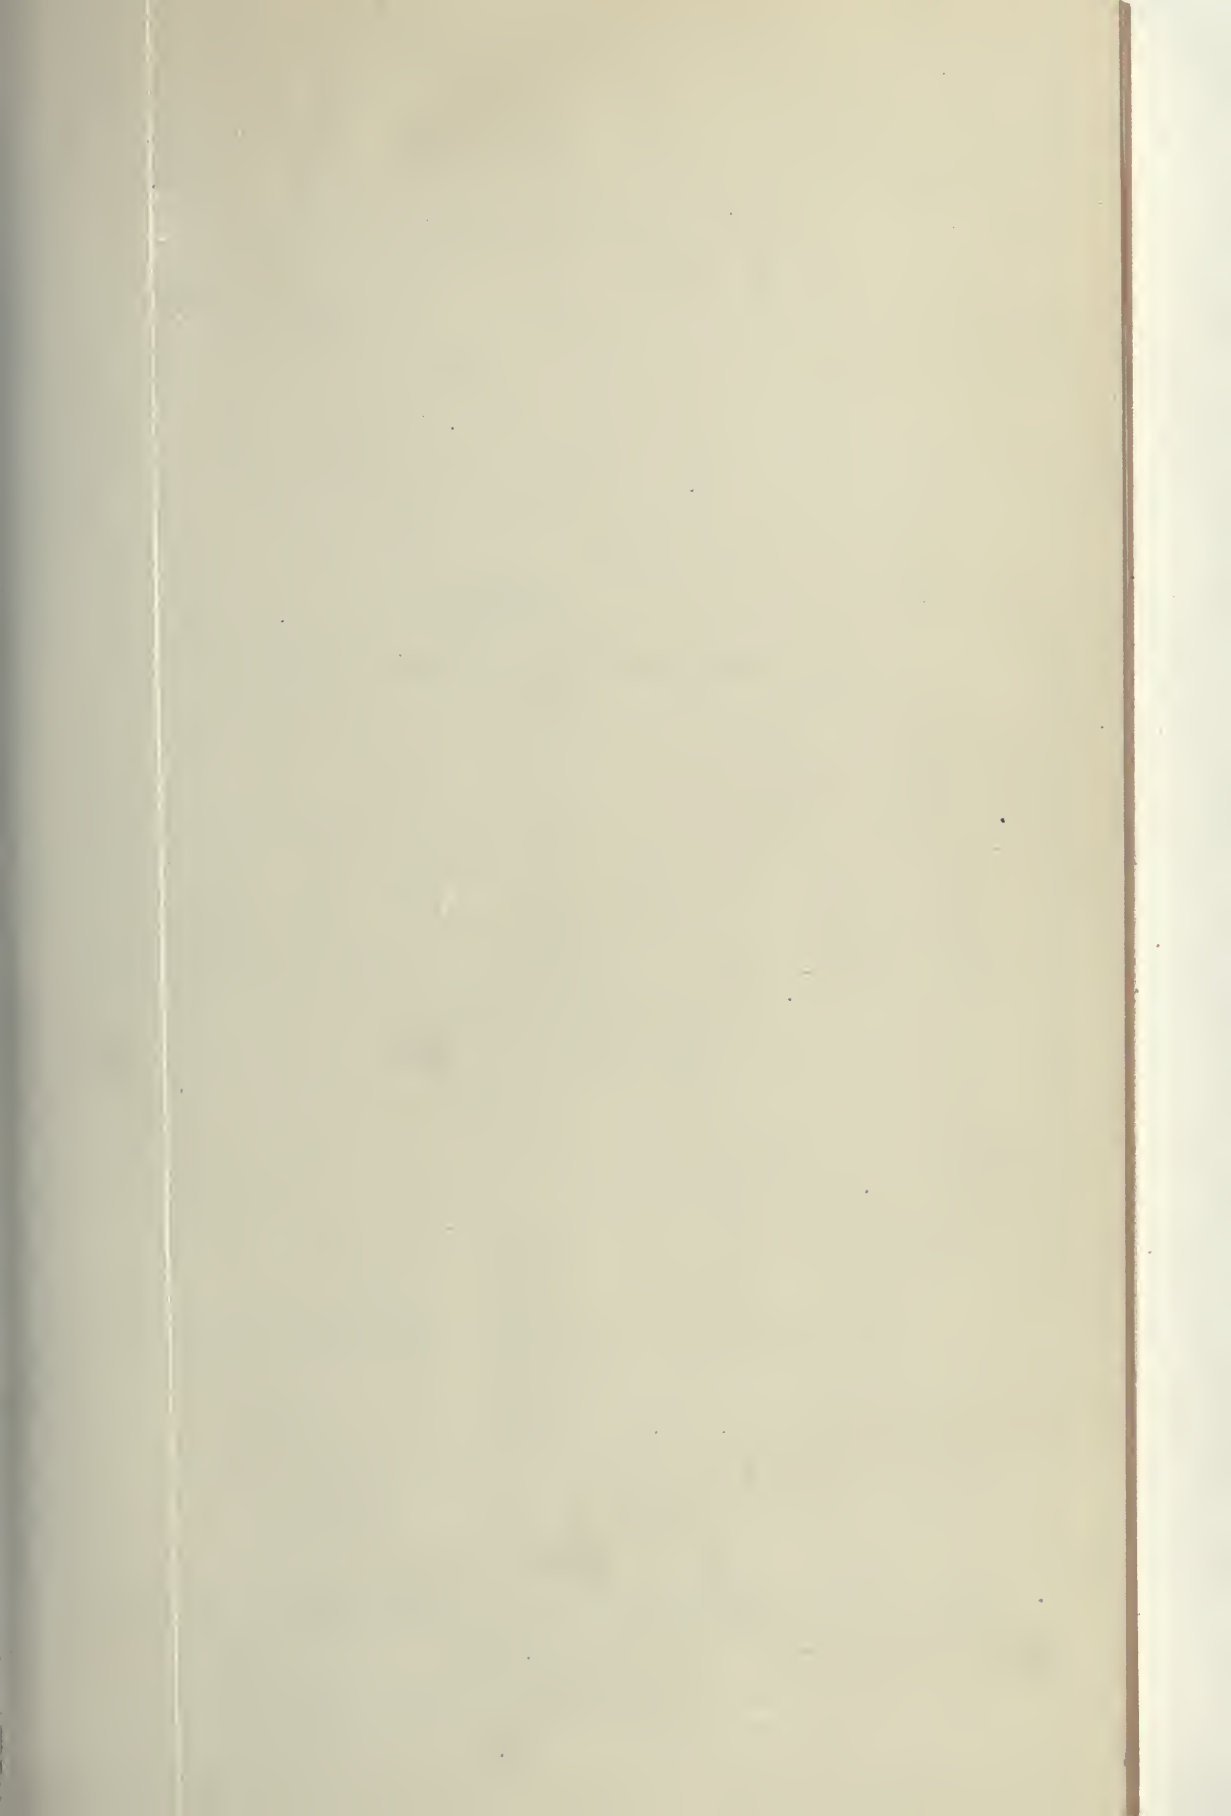

5. This Act may be cited as *The Local Improvement Amendment Act, 1946*.

SECTION 4. This section of the Bill recasts the sections of the Act that give townships and villages special powers with respect to local improvements. These special provisions are necessary because such municipalities often have both urban and rural areas within their boundaries, which must be dealt with separately and in different ways.

The new provisions are designed to ensure that the cost of local improvement works in townships and villages will be paid for on an equitable basis. For instance, an area may be defined and the whole cost of any work levied on the rateable property in the area. In the case of works of a particular nature, the whole or any part of the cost may be charged to abutting lots and the balance, if any, on the rateable property in the area.

Provision is also made to enable a local improvement area to be altered, dissolved or amalgamated with any other such area, with the approval of the Ontario Municipal Board.

EXPLANATORY NOTES

SECTION 1. A new subsection is added to enable a reduction to be made in the assessment of a lot of the particular nature mentioned, which at the present time may be unfairly burdened by local improvement rates. The amount of any reduction is not chargeable on the lots specially assessed, but is paid by the municipality.

SECTION 2. The subsection provides for the disposal of surplus funds resulting from the more favourable sale of local improvement debentures than was anticipated or from the actual cost of the work being less than the estimated cost.

The new subsection is more explicit than the present subsection as to how and to whom the disposal is to be made.

SECTION 3. As re-enacted, the section contains a permissive power to enable a municipality to renew or replace a local improvement work at the expense of the corporation at large and to issue debentures therefor.

BILL

An Act to amend The Local Improvement Act.

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Section 28 of *The Local Improvement Act* is amended by adding thereto the following subsection: Rev. Stat.,
c. 269, s. 28,
amended.

(2a) Subject to section 29, where a lot, other than a corner lot, has two limits that abut on works and the size or nature of the lot is such that any or all of the works are not required, a reduction in respect of the works that are not required, so long as they are not required, shall also be made in the special assessment that would otherwise be chargeable thereon, sufficient to adjust its assessment on a fair and equitable basis. Of lots
with two
limits
abutting
on works.

2.—(1) Subsection 9 of section 49 of *The Local Improvement Act*, as enacted by section 2 of *The Local Improvement Amendment Act, 1941*, is repealed and the following substituted therefor: Rev. Stat.,
c. 269, s. 49,
subs. 9
(1941,
c. 27, s. 2)
re-enacted.

(9) When the amount realized from the debentures exceeds the amount of the cost of the work, the excess sum shall be applied *pro tanto* in reduction of the rates or any of them to be levied under the by-law providing for the issue of the debentures and where all the rates have been levied under such by-law, the excess sum shall be paid *pro tanto* to the owners at the time such payment is made of the land on which the rates were levied. Disposal of
excess sums.

(2) Subsection 9 of section 49 of *The Local Improvement Act* as re-enacted by subsection 1 shall not apply to a by-law passed prior to the 1st day of January, 1941. Application.

3. Subsection 1 of section 56 of *The Local Improvement Act* is repealed and the following substituted therefor: Rev. Stat.,
c. 269, s. 56,
subs. 1,
re-enacted.

Repair,
maintenance
and replace-
ment of
works.

- (1) When a work has been completed, it shall be kept in repair and maintained and may be renewed or replaced at the expense of the corporation and the corporation may by by-law provide for the issue of debentures for such renewal or replacement.

Rev. Stat.,
c. 269,
ss. 63, 64,
re-enacted.

4. Section 63 and 64 of *The Local Improvement Act*, as amended by section 19 of *The Statute Law Amendment Act, 1942*, are repealed and the following substituted therefor:

Additional
works in
townships
and villages.

63. In addition to the works authorized to be undertaken in section 2, the council of a township or village may undertake as a local improvement the construction, renewal or replacement of water works, the laying of mains and other appliances to connect with any existing system of water works whether owned by the corporation or any other person, the construction of sewage treatment works, or the construction of such works, plant, appliances and equipment as may be necessary for street lighting.

Assessment
of cost of
works in
areas.

- 64.—(1) The council of a township or village may, in the by-law for undertaking any work as a local improvement, define an area in the township or village and provide that the cost of the work including debenture charges and the cost of maintenance and management of the work including the cost of the utility supplied shall be assessed and levied on the rateable property in the area.

Assessment
of cost of
certain
works.

- (2) Where the work is the construction of a water main, sewer, sidewalk, curb, pavement or street lighting, the by-law may provide that the whole or a part of the cost of the work shall be assessed upon the lots fronting or abutting on the work and in such case the balance of the cost including debenture charges, if any, and the cost of maintenance and management including the cost of the utility supplied shall be assessed and levied on the rateable property in the area.

Debentures.

- (3) The corporation may by by-law provide for the issue of debentures for any work undertaken under this section.

Notice of
intention
unnecessary.

- (4) Where a local improvement area is defined under this section and the by-law provides that the cost of the work shall be assessed and levied on the rateable property in the area, it shall not be necessary to serve notice of intention to construct the work upon the owners of lots in the area.

SECTION 4. This section of the Bill recasts the sections of the Act that give townships and villages special powers with respect to local improvements. These special provisions are necessary because such municipalities often have both urban and rural areas within their boundaries, which must be dealt with separately and in different ways.

The new provisions are designed to ensure that the cost of local improvement works in townships and villages will be paid for on an equitable basis. For instance, an area may be defined and the whole cost of any work levied on the rateable property in the area. In the case of works of a particular nature, the whole or any part of the cost may be charged to abutting lots and the balance, if any, on the rateable property in the area.

Provision is also made to enable a local improvement area to be altered, dissolved or amalgamated with any other such area, with the approval of the Ontario Municipal Board.

64a. Where a local improvement area is defined under this section, such area may by by-law, subject to the ^{Alteration, etc., of areas.} approval of the Ontario Municipal Board, be enlarged, reduced, altered, dissolved or amalgamated with any other such area and in such case the Board shall make any necessary adjustments of the assets and liabilities of the areas affected.

5. This Act may be cited as *The Local Improvement Amend- Short title. ment Act, 1946.*

SECTION 2. These powers are new. They are designed to enable municipal procedures of assessment and tax collection to function more efficiently.

BILL

An Act to amend The Department of Municipal Affairs Act.

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Clause *f* of section 1 of *The Department of Municipal Affairs Act*, as amended by section 1 of *The Department of Municipal Affairs Amendment Act, 1942*, is repealed and the following substituted therefor:

Rev. Stat.,
c. 59, s. 1,
cl. *f*, re-
enacted.

- (*f*) "Municipality" shall mean the corporation of a county, city, town, village, township or improvement district and shall include a local board thereof and a board, commission or other local authority exercising any power with respect to municipal affairs in an unorganized township or unsurveyed territory;

"Municipality."

2. *The Department of Municipal Affairs Act* is amended by adding thereto the following section:

Rev. Stat.,
c. 59,
amended.

- 9a. The Department shall in respect of any municipality or class thereof have power, notwithstanding any other Act,—

Powers re
assessment
rolls, tax
collection
procedures,
etc.

- (*a*) to prescribe the form of assessment returns, assessment rolls or collector's rolls and the particulars to be set down therein, or combine or vary the same from time to time;
- (*b*) upon the application of a municipality to extend for any period not exceeding sixty days the time for the return of the assessment roll or for making the revision or any final revision thereof, for making the report of the county assessor, for the examination of assessment rolls for the purpose of equalization, for the passing of an equalization by-law, or for the disposition of an equalization appeal;

Rev. Stat.,
c. 272.

- (c) to order that the tax arrears procedures of this Act shall apply and that the tax sale procedures of *The Assessment Act* shall not apply and in such case the use or disposition of land vested in the municipality under the tax arrears procedures and the application of the proceeds of such use or disposition shall be subject to the approval of the Department.

Rev. Stat.,
c. 59, s. 32,
subs. 1,
amended.

3.—(1) Subsection 1 of section 32 of *The Department of Municipal Affairs Act*, as amended by subsections 2, 3 and 4 of section 21 of *The Statute Law Amendment Act, 1940*, is further amended by striking out the words “and order” in the fifth line and inserting in lieu thereof the words “or direct”, so that the first five lines of the said subsection shall now read as follows:

Powers of
Board with
respect to
debt.

- (1) Where a municipality has become subject to this Part the Board, with respect to the debenture debt and debentures of the municipality and interest thereon and with respect to any other indebtedness thereof, shall have power to authorize or direct,—

Rev. Stat.,
c. 59, s. 32,
subs. 2,
cls. a, b
(1938,
c. 10, s. 2),
amended.

(2) Clauses *a* and *b* of subsection 2 of the said section 32, as enacted by section 2 of *The Department of Municipal Affairs Amendment Act, 1938*, are amended by striking out the words “and order” where they occur in the first line of each of the said clauses and inserting in lieu thereof in each instance the words “or direct”, so that the said clauses shall now read as follows:

- (a) authorize or direct any municipality, whether or not it has become subject to this Part, to continue to guarantee any such debentures notwithstanding any postponement or variation in the terms, provisions and time of payment thereof, and to guarantee any new debentures issued in substitution and exchange therefor;
- (b) authorize or direct any municipality, whether or not it has become subject to this Part, to assume and pay by the issue of debentures or otherwise a share of any liability in respect of which such municipality may be jointly or jointly and severally liable with any other municipality, which share may be either in full satisfaction of such liability of such municipality or on account thereof, and, if on account, the Board may order that provision be made for further payment in respect thereof.

SECTION 3—Subsection 1. The words “or direct” are substituted for “and order” to make it clear that the board may by order “authorize” or may by order “direct”, i.e., that the powers are alternative.

Subsection 2. Complementary to subsection 1.

SECTION 4. This provision is new. It is designed to avoid the necessity of repeating notice provisions of the section when the Board wishes to vary the terms of a matter already before it. It is considered that in such circumstances the expense and delay (two months) of the present section are unduly burdensome and that under the new subsection all interests will be amply protected.

SECTION 5. At the present time the moneys of a municipality under supervision must be deposited in a chartered bank. As amended, a municipality may deposit moneys in the Province of Ontario Savings Office or a loan or trust company instead of a chartered bank.

SECTION 6. These amendments are made so that all taxes and local improvement rates and interest and penalties on both must be paid in addition to the other items mentioned before a person entitled may redeem land that has been vested in the municipality by the registration of a tax arrears certificate.

"Corporation" is changed to "municipality" to conform with section 1 as re-enacted and other relevant provisions.

4. Section 34 of *The Department of Municipal Affairs Act*, Rev. Stat., c. 59, s. 34, amended. as amended by section 3 of *The Department of Municipal Affairs Amendment Act, 1938*, is further amended by adding thereto the following subsection:

5. Section 39 of *The Department of Municipal Affairs Act* Rev. Stat., c. 59, s. 39, amended. is amended by inserting after the word "bank" in the fourth line the words "the Province of Ontario Savings Office or a loan or trust company registered under *The Loan and Trust Corporations Act*", so that the said section shall now read as follows:

BILL

An Act to amend The Venereal Diseases Prevention Act, 1942.

MR. KELLEY

TORONTO
PRINTED BY T. E. BOWMAN
PRINTER TO THE KING'S MOST EXCELLENT MAJESTY

EXPLANATORY NOTES

SECTION 1—Subsection 1. Subsection 1 of section 2 of *The Venereal Diseases Prevention Act, 1942*, now provides that if a person is unable to obtain treatment he shall apply to the medical officer of health “who shall direct his course of conduct and treatment”. The repeal of the words quoted is in line with the amendment to subsection 2 of the same section.

Subsection 2. Subsection 2 of section 2 of *The Venereal Diseases Prevention Act, 1942*, at present provides that every infected person shall continue treatment until he obtains from the attending physician a notice in writing that he has received adequate treatment. This requirement is not practicable in that the patient may have attended several physicians. The new subsection requires an infected person to conduct himself so as not to expose other persons to infection and to take treatment considered to be adequate by the attending physician and the Minister. The reason for including “and the Minister” is to make it possible for the Department to take any necessary measures to see that patients receive the treatment required.

Subsection 3. Subsection 3 of section 2 of *The Venereal Diseases Prevention Act, 1942*, is repealed because there is a general penalty section (section 11) which is adequate.

SECTION 2. Self-explanatory.

BILL

An Act to amend The Venereal Diseases Prevention Act, 1942.

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1.—(1) Subsection 1 of section 2 of *The Venereal Diseases Prevention Act, 1942*, is amended by striking out the words "who shall direct his course of conduct and treatment" in the sixth and seventh lines, so that the said subsection shall now read as follows: 1942,
c. 38, s. 2,
subs. 1,
amended.

(1) Every person infected with venereal disease upon becoming aware or suspecting that he is so infected shall place himself forthwith under the care and treatment of a physician, and if unable to obtain such care or treatment he shall apply to the medical officer of health for the place in which he is ordinarily or temporarily resident. Infected
person to
submit to
treatment.

(2) Subsection 2 of the said section 2 is amended by striking out all the words after the word "shall" in the first line and inserting in lieu thereof the words "conduct himself in such a manner as not to expose other persons to the danger of infection, and shall take and continue treatment in a manner and to an extent considered to be adequate by the attending physician and the Minister", so that the said subsection shall now read as follows: 1942,
c. 38, s. 2,
subs. 2,
amended.

(2) Every such person shall conduct himself in such a manner as not to expose other persons to the danger of infection, and shall take and continue treatment in a manner and to an extent considered to be adequate by the attending physician and the Minister. Conduct
and
treatment.

(3) Subsection 3 of the said section 2 is repealed.

1942,
c. 38, s. 2,
subs. 3,
repealed.

2. Subsection 1 of section 4a of *The Venereal Diseases Prevention Act, 1942*, as enacted by section 2 of *The Venereal* 1942,
c. 38, s. 4a,
subs. 1
(1943,
c. 35, s. 2),
amended.

Diseases Prevention Amendment Act, 1943, is amended by striking out the words "the source" in the first and second lines of clause *a* and inserting in lieu thereof the words "a source or contact", and by inserting after the word "source" in the fourth line of the said clause *a* the words "or contact", so that the said subsection shall now read as follows:

Authority
of medical
officer
of health.

(1) Where,—

(a) any person has been named under oath as a source or contact of gonorrhoea infection or is believed by the medical officer of health to be a source or contact of such infection; and

EXPLANATORY NOTES

SECTIONS 1, 2, 4 and 5. The effect of these sections of the Bill is to remove from *The Mining Act* provisions requiring publication of certain orders. The provisions repealed are no longer necessary in view of the publication requirements of *The Regulations Act, 1944*.

SECTION 3. Rock drills powered by gasoline have recently been developed and as they accomplish approximately the same amount of work as a compressed air drill, the amendment provides an allowance for assessment work on the same basis as in the case of a compressed air drill.

SECTION 6. Consistent with a policy of appointing mining recorders on a salary basis the amendment eliminates provisions authorizing the retaining of certain fees by recorders.

SECTION 1—Subsection 1. This amendment extends the provisions of subsection 3 of section 10 of the Act so that clearance lamps, identification lamps and side marker lamps need not be displayed when a motor vehicle is parked on that portion of the highway referred to in subsection 3.

Subsection 2. To remove doubts the amendment specifically forbids the display of a red light on the front of a motor vehicle other than those enumerated.

BILL

The Teachers' Boards of Reference Act, 1946.

MR. DREW

EXPLANATORY NOTES

This is a consolidation and revision of *The Teachers' Boards of Reference Act, 1938*, as amended in 1943. The numerous amendments of 1943 together with the further proposed amendments render a consolidation desirable.

The principal effect of the new amendments incorporated in the Bill are the provisions for a board of three members (see section 4, subsection 2) and the restriction imposed upon a teacher who has terminated an engagement in a manner not agreeable to the Board employing her (see section 3, subsection 2).

The requirement that meetings of a board of reference shall be held *in camera* is new (section 6, subsection 2) and the revision of the provisions relating to costs (as contained in sections 11 and 12) effects a much needed clarification. The fifteen day period prescribed in subsection 2 of section 2 replaces the twenty day period in the corresponding provision of the present Act.

The object of this section is to increase the acreage tax from 5 to 10 cents per acre and to tax mining rights in municipalities as well as mining lands in unorganized territory, in order that the Province may exercise a measure of control of the mineral resources, whether in municipalities or otherwise, and secure a reversion of the mining rights where the taxes are in arrear, so that they may be declared open for staking and thus encourage mining development.

BILL

An Act to amend The Mining Tax Act.

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Section 1 of *The Mining Tax Act*, as amended by section 1 of *The Mining Tax Amendment Act, 1941*, is further amended by adding thereto the following clauses:

14.—(1) Except as hereinafter provided,—

(d) all mining rights in, upon or under land situated within the limits of a municipality and being held or used for mining purposes howsoever patented or alienated from the Crown; and

(e) all mining rights howsoever patented or acquired which are severed from or held apart or separate from the surface rights,

shall be liable for, and the owner, holder, lessee and occupier thereof shall pay an acreage tax of ten cents per acre in each year, provided that the minimum tax on any mining location, mining claim or mining rights shall not be less than one dollar in each year.

Section 14, subsection 2. Mining rights under town and city lots are exempted from tax, as it is not practicable to levy acreage taxes on the same. The cost of collecting the tax in such cases would be far in excess the revenue realized; nor is it desirable that the mining rights in such lands should be forfeited and thrown open for staking.

Section 14, subsection 3. The natural gas resources of Southwestern Ontario are rapidly becoming depleted and to collect acreage tax on such lands would only add to the burden of a failing industry.

Section 14, subsection 4. This is a re-enactment of the present subsection 2 of section 14 and is self-explanatory.

EXPLANATORY NOTES

GENERAL. The purpose of the Bill is to provide for the establishment of conservation authorities in various parts of Ontario. Authorities may be established by the Lieutenant-Governor in Council where a desire therefor has been indicated by not less than three municipalities situate either wholly or partly within a watershed or within two or more watersheds and certain conditions have been complied with. An authority may be given jurisdiction over all or part of a watershed or of two or more watersheds. The general plan of the Act follows that of *The Grand River Conservation Act, 1938*, and *The Thames River Control Act, 1943*,—that is to say, where an authority has been constituted under the Act its procedure and powers will be largely the same as those vested in the respective commissions under the two Acts indicated above, subject, however, to the wider definition of "scheme" as contained in this Bill.

- an extension of the definition of "marketing" to include financing in clause *e* of section 1;
- provision for a board of "one or more persons" instead of a board of "three persons" as contained in subsection 2 of section 2;
- a clarification of the powers of the Board to refuse to grant and renew licences as well as to suspend and revoke licences as contained in clauses *h* and *i* of subsection 1 of section 3;

EXPLANATORY NOTES

SECTION 1. The maximum amount which may be raised by a municipality for debt charges to carry "Public Library Debentures" is now fixed at one-quarter of the maximum tax rate for public library purposes. This, in some cases, does not permit of the construction of adequate public library buildings and accordingly the maximum amount is raised to one-half of the maximum tax rate for public library purposes. This will not alter the overall maximum amount which may be levied by a municipality for public library purposes.

SECTION 2. The practice of making special grants to small libraries by way of stimulus or in recognition of exceptional service, is authorized.
